Qualified Chemists,

(SPECIALISTS IN BIRTH CONTROL).

144, FLEET STREET, LONDON, E.C. 4.

NEXT DOOR TO YE CHESHIRE CHEESE, NEAR THE DAILY TELEGRAPH.

Dear Sir or Madam,

Are you interested in Birth Control?

To many people the question of harmless limita-
tion of family is of utmost importance; in many cases
it is a matter of absolute necessity.

To help those in search of the safest and most
convenient method to adopt, we enclose a booklet
explaining the most modern Birth Control requisites
now in use. We impart clean and wholesome knowledge
of Family Limitation and conduct our business in a
moral and strictly medical and pharmaceutical manner.

Our Pharmacy being so easy of access in the
centre of the City (Fleet Street, next to the
Cheshire Cheese and the new Daily Telegraph building)
perhaps you would prefer to call personally than
order by post, in which case we can assure you that
your wants will be attended to with the utmost
courtesy and privacy (special sections of the shop are
reserved for surgical requisites). We have now an
additional side entrance in Cheshire Court to the
Surgical Requisite Department.

Yours faithfully,

The Secretary,

HANCOCK & Co., Ltd.

P.S.—Goods can be sent, if required, by messenger **AT**
ONCE free of charge to any part of London: just
telephone or write.

Letters may be addressed to the Manageress to
be dealt with personally or to the Chief Chemist
mark letters personal.
