

# Birth Control and Your Independence

*You are young, but mature enough to make your own decisions.  
You know that sexual activity without birth control may result  
in pregnancy. Maybe you're not ready for that.*

Selecting a birth control method is a responsibility, but your independence permits it. What if you are one who can't take the pill . . . or you simply don't want to. What then?

We suggest the BECAUSE® CONTRACEPTOR™ —a sensible alternative to the pill. Six uses of birth control protection in one tampon-sized unit. Simple and pleasant to use. The BECAUSE CONTRACEPTOR is so convenient it can always be available.

Can you trust it? Yes. BECAUSE Birth Control Foam contains a highly effective spermicide, thoroughly tested and researched. It does not work through your system, so it won't alter your hormone balance or significantly affect your body chemistry.

BECAUSE was developed in consultation with doctors and birth control clinics to help you prevent unwanted pregnancy.

Available without prescription at drug counters and pharmacies.

The Because® Contraceptor™...  
a remarkable birth control invention  
containing six uses of medically  
tested and recommended birth  
control protection in one contraceptive  
unit. Nothing else is needed  
...just Because
