

The background of the cover is a light beige color, densely populated with various designs of Intrauterine Devices (IUDs). These designs include simple circles, spirals, T-shaped structures, and more complex, multi-lobed or hook-like shapes. Some designs are rendered in a dark brown color, while others are in a lighter, greyish-brown tone. The IUDs are scattered across the entire page, creating a textured, patterned effect.

Long-Term IUD Use in Ljubljana, Yugoslavia
