UNITED STATES PATENT OFFICE.

EARL D. GRAY, OF DENVER, COLORADO.

DESIGN FOR A PESSARY.

SPECIFICATION forming part of Design No. 30,862, dated May 23, 1899.

Application filed April 26, 1899. Serial No. 714,589. Term of patent 14 years.

To all whom it may concern:

Be it known that I, EARL D. GRAY, a citizen of the United States, residing at Denver, in the county of Arapahoe, State of Colorado, have invented a certain new and original Design for Pessaries, of which the following is a description, reference being had to the accompanying drawings, and to the letters of reference marked thereon.

10 My invention is a new and original design for pessaries; and the leading feature consists of a pessary having the shape and configuration herein shown and described.

15 The invention is shown in the accompanying drawings, in which—

Figure 1 is a perspective view, the pessary

being held at an incline. Fig 2 's a cross-section, the pessary being laid on its side.

In the drawings, A represents the stem of the pessary, which merges into the body part 20 B, forming the base C, the body part enclosing the stem A and formed with the scallops D.

I claim—

The design for a pessary, substantially as 25 shown and described.

In testimony whereof I affix my signature in presence of two witnesses.

EARL D. GRAY.
